About Venue One

As a client of Bandit Lites, you have free access to our world-class facility in complete privacy.

Bandit Lites can help you build your performance using a space that is tailored to match your caliber of art, so you can rehearse to make sure everything is show ready.

Venue One is custom designed to meet the needs of the touring industry. As part of our service, Venue One is available to our clients for both programming and band rehearsal. Conveniently located 15 minutes from downtown Nashville, Venue One is close to the international airport along with numerous restaurants, hotels and shopping centers nearby.

The Venue

- Utilize more than 10,000 square feet in complete privacy
- Virtual programming suites
- Two loading docks and one ramp for a quick and easy load-in and load-out
- High-speed WIFI access
- Dressing room, kitchen areas and bathrooms
- Free on-site parking

The Rehearsal Space Offers:

- 40'd x 80'w x 30'h floor space with 40,000lb hang capacity
- Ample bus parking
- Full power service located upstage center
- Kitchen & Restrooms
- Two truck docks and one drive up ramp
- Onsite staff support
- Access to printer/copier plotter
- Free Wi-Fi

Design Suite 1

Design suite #1 is a 30'x30' air conditioned and heated programming suite that can be utilized as a programming room through a 4'x8' window into the live rehearsal area, providing seclusion from outside distractions, or for virtual programming via projection.

Design Suite 1

This suite may also be used as an artist green room or production office. Amenities include Wi-Fi, phones, 100a x 3Ø power, and refrigerator for your convenience during your stay.

Design Suite 2

In addition to Suite 1 at Venue One, clients have access to Design Suite 2, which can also serve as either a production office or dressing room, whatever your team may require.

Suite 2 is also directly accessible from the rehearsal space.

Location

1600 J.P. Hennessy Drive
La Vergne, TN 37086
